Trademark Trials and Appeals

ESTTA Tracking Number: ESTTA186721

This correspondence is to request an extension to file a response to the Petition for Cancellation filed by Manny D. Pokotilow on behalf of Emoda.Com Corporation located in Madison, WI. It is my contention that we, EMOD, did not receive the appropriate forms of notification in a timely manner due to a Post Office error. In October 2007, I married and moved from the address listed as the official contact address for EMOD. I completed all the appropriate forms and notification to the Post Office in regards to forwarding all mail going to the previous address.

Since I started receiving mail addressed to the previous address at my new residence I assumed the post office was carrying out their duties. Unfortunately, this was an incorrect assumption. Upon visiting the previous location on New Hampshire Ave I discovered that mail was continuing to be delivered there. Hence any documents addressed to EMOD were left either in the mailbox or on the front porch.

This discovery was strictly by chance. I am in the process of building a new home at the previous location on New Hampshire and the builder was the party that initially informed me that mail was still being delivered hence the visit out to the property.

On March 19<sup>th</sup>, 2008, I contacted the Trademark Trials and Appeals office to explain the circumstances and was directed to immediately submit a request for extension. Initially I spoke with a customer service representative then a supervisor to gain further information on the process.

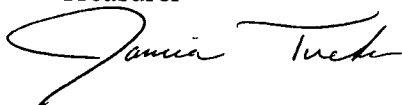

Due to the unfortunate mailing circumstance EMOD would request that an extension be granted so we can properly respond to the Petition for Cancellation. It is our intention to immediately respond to this petition. We apologize for any inconvenience this has caused the Trademark Trials and Appeals Office and the Petitioner.

EMOD can be reached at the following address:

2657-G Annapolis Road  
PMB# 444  
Hanover, MD 21076

Sincerely,

Jamiar Tucker
